### Pastor's Ponderings

*Who knows? Perhaps you were put here for such a time as this. (Esther 4.14)*

**O**ne silly thing that makes me happy is playing a game on my phone called Word Trip. It is an app that supplies you with a number of letters that you arrange to create words using some or all of the letters provided. The game looks for particular words, sometimes using four, five, six, or all of the letters provided. Sometimes, finding the words the game is looking for seems really easy, partly because that's the way my mind works. Other times, finding the exact words that the game wants is more challenging. Occasionally, I utilize the hint button, where the game provides a letter or letters to help figure out what word it is looking for. Often, there are other words that work, but aren't the ones the game is looking for.

In some ways, working in a church is similar to this game. A congregation has a particular number of members/attenders and a structure that requires a particular number of members with particular skill sets to populate its committees and teams. And sometimes, this is really easy as people are available and willing to serve on committees that fit them well. Other times, it is more challenging to populate committees and teams as individual schedules and life make serving difficult. Often, I think of new teams or committees that would work really well together, but these don't fit into our structure as currently constructed (for example, I think it would be great to have a church fantasy football league; or a church volleyball team that would compete against other churches; or a skills exchange where a more seasoned member shares their knowledge or even a meal with a younger, less seasoned member while the younger, less seasoned member provides

### World Communion Sunday

Sunday, October 2

Celebrated by Christian churches around the globe, World Communion Sunday promotes Christian unity and ecumenical cooperation between denominations.

a skill or task that the more seasoned member needs done; or...the list could go on and on).

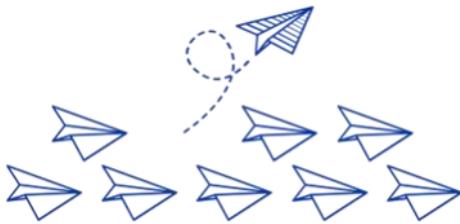

One day, these alternatives might become reality. But until then, like the game that is looking for particular words, your church is looking for particular people to make our church better by serving on our committees. Our committees include:

- BaG (Buildings & Grounds)
- CE (Christian Education)
- Endowment
- FOM (Fellowship, Outreach, & Membership)
- Mission
- Nominating
- Personnel
- Stewardship & Finance
- Worship

Like the hint button on the game, I am hoping for help in figuring out who God might be calling to serve on these teams. Might God be calling you?

For more information or if you feel God is calling you, please give me a call in the office or drop me an email ([paul@magpres.com](mailto:paul@magpres.com)). Meanwhile, I'll keep trying to find the right combination that is needed based on our structure.

## OCTOBER IS STEWARDSHIP MONTH!

As we consider how to "Think Differently" about giving of our time, talents, and treasures, meditate on our scripture for the month:

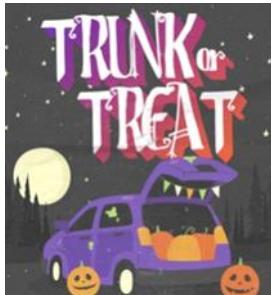

Don't be conformed to the patterns of this world, but be transformed by the renewing of your minds so that you can figure out what God's will is—what is good and pleasing and mature.

## Combined Endowment Funds – Spotlight on Those Who Made Them Possible

In the April 2022 Uplook, we listed four new endowment funds that had recently been created by combining funds in each category. In May, we spotlighted the donors for the Where Most Needed combined fund, and in September, we spotlighted the donors for the Great Commission combined fund.

This month (October), we would like to spotlight the donors for the Youth Ministries combined fund. In November, we will spotlight the donors for the Christian Education combined fund. The foresight and generosity of all of these donors continues to bless our church.

The following information is printed below as it was originally submitted by the donor(s) for our Endowment Registry Notebook, which is kept in the church office, and updated and maintained by the Endowment Committee for all of our funds.

### Hazel Phelps

On March 28, 1948, a remarkable woman joined Magnolia Presbyterian Church. Her name was Hazel Phelps. Hazel was an energetic, loyal Christian woman who married late in life and had no children. She was the kind of person people wanted to be around because she was such an inspiration and testimony to the power

of Christian love.

Hazel died at the age of 99 on December 5, 1984. She left part of her estate to the endowment fund of our church. It was her desire for the interest generated from the gift to be used for youth ministry.

### Les and June Hall

Les and June Hall moved to Riverside, CA from Florida in the fall of 1959 and transferred their memberships to Magnolia Presbyterian Church on March 24,

1964 (June) and February 24, 1974 (Les). Les came from a family who was dedicated to teaching and helping in evangelism in a Baptist church. He was a graduate of King College, a Presbyterian college in Bristol, Tennessee. June was born and grew up in Oklahoma and joined a Presbyterian church when 12 years old. After her move to Florida, she joined a Southern Presbyterian Church.

During World War II, June met Les through her work with the Red Cross, which happened to be situated near his barracks. They were married in October of 1942 and God blessed them with sons Leslie Charles, Lewis Edward, and Lynn Fredrick (Rick), their wives, six grandchildren, and four great grandchildren.

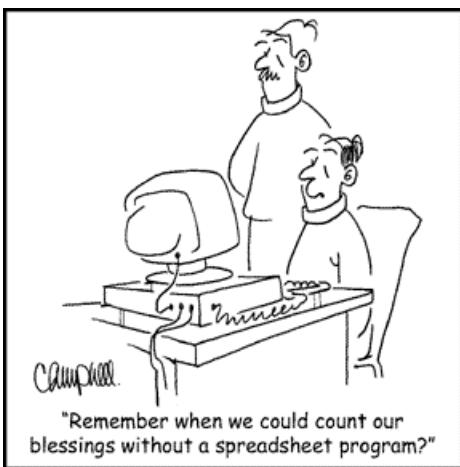

Les had a management career with the popular Imperial Hardware store, which was located in the heart of downtown Riverside. It offered leading brands of housewares, furniture, decorating services, appliances, and fine china. In 1972, the store was relocated to the Tyler Street shopping area, but was closed shortly after, and Les became the buyer of fine china for all Imperial Hardware stores. Finding that he did not want to travel and be away from home, he finished his business career in real estate. He retired in 1984 due to the loss of his eyesight, and June became his eyes for him until his death on December 27, 2000.

June was a stay-at-home mother while their boys were young, then worked on her teaching credential at La Verne College. She taught at Mt. View Elementary before serving as the library media teacher at Victoria Elementary, Adams Elementary, Hawthorne Elementary, and Monroe Elementary Schools in the Riverside Unified School District. She transferred to the Alvord Unified School District to be the librarian at Wells Intermediate School until she opened up the new library at La Sierra High School in 1972. June retired in 1984.

Both Les and June lived out their faith in their business and education careers. He, a quiet, caring person, helped many people through his work; and she encouraged and inspired hundreds of young people in the school setting. Both were always supportive of children.

Since December 2002, their endowment funds have been designated to help Magnolia Presbyterian

## Pumpkin Swirl Brownies

8 Tbsp (1 stick) unsalted butter, plus more for pan	1 Tbsp pure vanilla extract
6 oz bittersweet chocolate, chopped	1 1/4 c solid-pack pumpkin
2 c all-purpose flour	1/4 c vegetable oil
1 tsp baking powder	1 tsp ground cinnamon
1/4 tsp cayenne pepper	1/4 tsp ground nutmeg
1/2 tsp salt	1/2 c chopped hazelnuts or other
1 3/4 c sugar	
4 large eggs	

- ◆ Preheat oven 350 degrees. Butter 9-inch square baking pan or dish. Line bottom with parchment paper, butter lining.
- ◆ Melt chocolate & butter in heatproof bowl set over pan of simmering water, stir occasionally until smooth.
- ◆ Whisk together flour, baking powder, cayenne, and salt in large bowl, set aside. Put sugar, eggs, and vanilla in bowl of electric mixer fitted with paddle attachment; beat until fluffy and well combined, 3-5 minutes. Beat flour into mixture.
- ◆ Divide batter between 2 medium bowls (approx. 2 cups per bowl). Stir chocolate mixture into one bowl. In other bowl, stir in pumpkin, oil, cinnamon, nutmeg.
- ◆ Working quickly so batters don't set: Transfer half of chocolate batter to prepared pan, smoothing top with spatula. Top with half of pumpkin batter. Repeat to make 1 more chocolate layer and 1 more pumpkin layer.
- ◆ With small spatula or table knife, gently swirl the 2 batters to create a marbled effect. Sprinkle with nuts.
- ◆ Bake until set, 40-45 minutes. Let cool in pan on wire rack. Cut into 16 squares (yeah, right! 16 squares Hah! Nice try, Martha!)

I'll set you free with great power and with momentous events of justice."
